ARTICLE 1—RECOGNITION

1.1 The College recognizes the Association as sole and exclusive bargaining representative for classified employees of the College. The parties recognize that there are ten (10) month, eleven (11) month, and twelve (12) month employees. The individual supervisor will determine all duty and non-duty days for employees working less than twelve (12) months.

Any provisions of this agreement which conflict with specific requirements of special funding, and where that conflict would result in the loss of the program, will be superseded by the grant requirements.

1.2 Employment of part-time hourly workers shall not exceed 1,039 hours in a twelve-month period measured from the beginning of the January pay period (December 16th) to the end of the December pay period (December 15).

In the event the hours exceed the limit, the employee will be included in the bargaining unit unless there is mutual consent between the College and the Association.

1.3 Specifically excluded from the provisions of this Agreement are part-time hourly and limited-term employees, except as provided by Article 20; management employees, supervisors, and confidential employees as defined by law or as determined by the Employment Relations Board; and employees covered by other College bargaining agreements.

Bargaining unit members who accept teaching assignments that are not part of their Classified responsibilities and for extra compensation shall:

A. Be paid for the teaching work according to the salary schedule the greater of:
   a. the part-time faculty rate; or
   b. their overtime rate on the classified salary schedule if the teaching assignment results in an employee working in excess of 40 hours per week.

B. Receive step increases for their teaching work under the provisions of the faculty agreement.

1.4 Except as specifically provided for herein, all leaves with pay, differentials, and fringe benefits for employees in the bargaining unit working .50 FTE or more but less than full-time (40 hours per week) as specified in Section 1 above of this Agreement shall be prorated based on their assigned level of FTE unless adjusted by the end of term determination of hours.

The determination of the average hours per week shall be made by the College at the end of each term from the time sheets submitted each month. Any changes in leave and benefit level as required by the time sheets shall take effect on January 1, April 1, July 1, and October 1 except that changes shall take place at the beginning of the next month after a formal change in hours is approved through Human Resources. Changes in leave and benefit level due to a reduction in workload by Article 37 or Article 39 shall take effect according to the timelines of those articles.
1.5 In no instance shall an employee receive his/her prorated share of leaves with or without pay and fringe benefits at a rate less than his/her agreed upon anticipated assignment, unless the employee’s FTE is reduced due to their use of unpaid leave for four consecutive months and the employee is not expected to return to the original level of assignment. Months where unpaid leave protected by leave laws or leave due to worker’s compensation are not counted. The proration shall occur the month following the fourth consecutive month.

1.6 For purposes of this article, leaves with pay are: vacation, sick, bereavement, and personal business leave and paid non-duty days. Fringe benefits are health insurance, life insurance, tuition waivers and other benefits associated with payroll.

ARTICLE 2—LIFE OF AGREEMENT

2.1 Both parties agree that during the course of negotiations which resulted in the execution of this Agreement each party has had the opportunity of making proposals, assessing proposals and analyzing positions. The parties further assert that all obligations and benefits contained in this Agreement are a result of negotiated agreement.

2.2 This Agreement contains the full and complete agreement reached on the issues considered during negotiations. All prior agreements and understandings between the parties are replaced and superseded by the provisions herein. No amendment shall be deemed effective unless in writing and signed by the parties to this Agreement.

2.3 Unless otherwise noted in this Agreement, this Agreement shall take effect on July 1, 2013, and shall remain in full force and effect until June 30, 2016.

After June 15, 2014, but no later than July 15, 2014, the Association may reopen this Agreement for the following purpose by providing written notice to the College: To negotiate the terms and conditions by which health insurance is provided to Association members beginning January 1, 2015, and continuing through the life of this agreement under Article 28. No change may be made to the terms and conditions of Article 28 as a result of the reopener unless agreed to by both parties to this Agreement.

ARTICLE 3—SEPARABILITY

3.1 If any provision of this Agreement shall at any time be declared invalid by any court of competent jurisdiction or through government regulations or decree, such decisions shall not invalidate the entire Agreement, it being the expressed intention of the parties hereto that all other provisions not declared invalid shall remain in full force and effect.
ARTICLE 4—NON-DISCRIMINATORY APPLICATION OF AGREEMENT

4.1 The provisions of this Agreement shall apply equally to all employees in the bargaining unit.

4.2 Any claim of a violation of Section 4.1 shall be excluded from the procedures of Article 40 and instead shall be made exclusively through appropriate college policies and procedures, and/or state and federal agencies.

4.3 An Association member has a right to representation by the Association with regard to a proceeding with the College under Section 4.2.

ARTICLE 5—FUNDING

5.1 The parties recognize that revenue needed to fund the provisions of this Agreement must be approved by established budget procedures of the District.

5.2 This Agreement is entered into contingent upon the approval of an operating budget sufficient to fund this Agreement. The College agrees to include in its annual budget sufficient funding for this agreement.

No part of this article shall be construed to be a guarantee of staffing levels nor shall it be construed as a waiver of any rights or benefits provided for in this agreement.

ARTICLE 6—COLLEGE PERSONNEL RULES

6.1 The College will furnish to the Association President a copy of all College-wide personnel rules that affect members of the bargaining unit.

6.2 At any time the college determines that College-wide personnel rules affecting bargaining unit employees should be amended or new personnel rules adopted, the Association will be provided a copy of the proposed change or new rules and be allowed one (1) calendar month to respond prior to the time of planned adoption.

ARTICLE 7—USE OF BUILDING FACILITIES

7.1 The Association or committees of the Association shall be allowed the use of College facilities for meetings when such facilities are available and the meetings would not conflict with business of the College.

7.2 The Association will schedule use of College facilities through regular College procedures.

7.3 The College will make a reasonable effort to provide the Association with private office space on the Salem campus for storing its files and meeting with members.

ARTICLE 8—COMMUNICATIONS

8.1 The College agrees to allow the Association to use the College internal mail service, electronic mail, bulletin board space, and College office mail boxes for official Association business. This permission for use shall expire as of the time either party declares an impasse in the bargaining process, unless otherwise agreed to in writing by the parties.
ARTICLE 9—BARGAINING UNIT LISTING

9.1 Upon request of the Association, the College shall furnish the Association an electronic file of employees in the bargaining unit. The file shall include the unit code, funding source, employee name, job name, job family, band, grade, step, FTE, campus (or outreach) location, date of hire, campus phone number, home address and home phone number of each employee.

ARTICLE 10—ASSOCIATION DUES AND FAIR SHARE

10.1 The College shall deduct monthly the Association membership dues from the pay of those employees who individually request in writing that such deductions be made. The amounts to be deducted shall be certified to the Payroll Office by the Association. Unless prevented from doing so by circumstances beyond the control of the College, the aggregate deductions of all employees shall be remitted together with an itemized payroll statement by the College to the Association Treasurer no later than the tenth (10th) of the month following the month for which the deductions were made. Any error in the amount remitted to the Association shall be corrected within thirty (30) days.

10.2 The written request for dues deduction is not terminated when an employee is placed on a leave of absence without pay or placed on layoff status. The College shall deduct Association dues commencing with the first paycheck following the employee’s return to paid status.

10.3 When authorized by participating employees, the College shall deduct monthly and forward to the Association Treasurer amounts withheld for premiums of Association-sponsored insurance programs.

10.4 Each employee who is a member of the bargaining unit herein defined, but is not a member of the Association, shall pay to the Association for representation costs an amount equivalent to such monthly assessments paid by Association members. Such payment shall be deducted from the compensation of each classified employee and said payments will be remitted to the Association according to the terms of Section 1 of this Article.

10.5 An individual employee may object to said payments on the grounds of teachings of a church or religious body. The member then will be required to inform the College and the Association of his/her objection in writing. The individual employee will meet with the Association President and College’s Business Manager and establish a mutually satisfactory arrangement for distribution of an amount of money equivalent to regular Association assessments to a nonreligious charity, a college scholarship fund, or a nonprofit foundation.

10.6 The Association shall hold the College harmless from any claims against the College as a result of deductions paid to the Association.

ARTICLE 11—ASSOCIATION BUSINESS

11.1 The Association shall be furnished agendas, minutes, budget documents and other written materials falling within the provisions of College policy and ORS Chapter 192.
11.2 The Association shall be provided the name and office location of any new unit employee within ten (10) working days of initial date of hire.

11.3 Whenever possible, employee attendance at meetings of the Association or committees of the Association during working hours shall be subject to three (3) days prior approval by the employee’s supervisor.

11.4 The Association shall designate two (2) members as Grievance Officers and provide their names to the Director of Human Resources. Grievance Officers shall be the points of contact for Human Resources in the processing of grievances. Grievance Officers shall be allowed time away from work when attending employee conferences requested by the College when the conference occurs during work hours.

A. Grievance Officers or delegate shall be responsible for the investigation and processing of grievances at times other than regular working hours, unless the nature of the grievance is such that the investigation and processing cannot be accomplished after working hours.

B. The involved Grievance Officers or delegate shall be granted time off without loss of pay to attend any conference or hearing held pursuant to the grievance procedure if scheduled by the College or an arbitrator or hearings officer during the employee’s working hours.

11.5 The Association shall be allowed Union Stewards. Members of the Association Executive Board may also serve as Union Stewards. The Association will provide the Director of Human Resources with an updated listing of Union Stewards prior to October 1 of each year.

11.6 The Association shall reimburse the College for such time used as the Association President reasonably requires for conducting the business of the Association, up to a maximum of 250 hours per year. In addition, the Association shall reimburse the College for time used by its contract negotiations team members to prepare for negotiations up to a maximum of 100 hours for all team members in any calendar year.

The reimbursement shall cover all wages and benefits of the President or team members for the time the President or team members are away from their jobs, except where such time is otherwise provided for in this agreement. Use of this time shall not disrupt the work of other College employees.

Time away from work shall be scheduled with the immediate supervisor with consideration for the operational needs of the College. The Association President shall track and report such time on his/her monthly Absence Reporting Form.

The reimbursement shall be paid at the end of each quarter for previously used time.
11.7 An Association representative shall be allowed to attend the following meetings or events without loss of pay in addition to those set forth in Section 11.4.B. If a meeting or event set forth here or in Section 11.4.B takes place outside the employee’s normal work schedule, the employee shall be allowed an equal number of hours off work.

A. Contract management meetings.
B. President’s Advisory Council (PAC).
C. Chemeketa Board of Education meetings.
D. Other meetings at which the College requires or requests Association representation.

11.8 Association representatives shall suffer no loss in pay when attending collective bargaining sessions scheduled during their regular work hours.

ARTICLE 12—MANAGEMENT RIGHTS

12.1 The Association recognizes that the College has the responsibility and complete authority to manage, direct and otherwise control on behalf of the public all operations and activities of the College.

12.2 The College retains all rights and prerogatives not specifically restricted by this Agreement.

ARTICLE 13—STRIKES/LockOUTS

13.1 The Association agrees that during the term of this Agreement they will not conduct, join, participate in or otherwise support a strike, work stoppage, slow down, picket line observance or other concerted interference with work at or of the College. Employees who participate in any such action shall be subject to such action as determined appropriate by the College.

13.2 The College agrees that during the term of this Agreement there will be no lockout of Association bargaining unit members.

ARTICLE 14—CONTRACTING OUT

14.1 In the event the College should contemplate the use of outside services to perform functions currently performed by bargaining unit members, it shall, upon a timely demand from the Association, bargain the decision and impact, if any, of such action upon bargaining unit members.

ARTICLE 15—COMPLAINTS

15.1 Employee Complaints.
Any employee complaint which does not qualify as a grievance as defined in Article 40.1 may be pursued by the employee up to and through Step 3 of the grievance procedure set forth in Article 40.3. The President’s or his/her designee’s decision on the complaint at Step 3 shall be final and will not be appealable to arbitration.
15.2 Notice of Complaint.
In the event a Classified member is alleged to have discriminated against or harassed another employee, and the College determines there is merit to the complaint, the accused shall, within fifteen (15) work days after the allegation is brought to the attention of the college, be informed of the name of the complainant and the nature of the complaint.

ARTICLE 16—PROBATIONARY EMPLOYMENT

16.1 Every person covered by this Agreement shall serve in probationary employment status for a period of six (6) months in an initial position. Upon successful completion of probationary employment, he/she shall acquire regular status, except that the probationary period will start again if the employee is reassigned, transferred or promoted during the initial six-month period of employment. This may be waived by the new supervisor. In no case will an employee’s total probationary period extend beyond 12 months after the date of hire, however. Further, even if the probationary period is extended, benefits will be provided as if the employee had served only a total of six months of probationary employment.

16.2 During the probationary period, the employee’s job performance will be reviewed and evaluated by his/her supervisor. A probationary employee whose performance does not meet the required standards may be dismissed from service, and such action will not be subject to review under the grievance and arbitration provisions of this Agreement.

16.3 A probationary employee’s supervisor may request, and the Director of Human Resources may allow, the employee an additional probationary period not to exceed three (3) months. When an additional period is approved by the Director of Human Resources, the employee shall be given notice that his/her services shall be terminated if specific deficiencies have not been corrected during the extended period of probationary employment, or if the employee’s performance is otherwise unsatisfactory.

The college will notify the Association President in writing of this extension.

ARTICLE 17—EVALUATIONS

17.1 Both the College and the Association agree that the purpose of the evaluation at Chemeketa Community College will be:
A. To identify strengths and weaknesses and provide the employee feedback concerning job performance;
B. To provide written recognition of employee accomplishments;
C. To provide employees a means for identifying professional growth and development;
D. To help identify individual and in-service training opportunities; and
E. To provide continuing documentation for pay and promotional actions.
F. To assist in determining whether an employee’s employment should be continued.
G. To review the employee’s classification description and update the working job description.
17.2 The College shall (after the probationary period), at least once in a twelve (12) month period, review and rate the work performance of each classified bargaining unit employee. Each evaluation shall be limited to conduct or events in the preceding 24-month period.

If an employee changes to another position (as identified in Article 20) the evaluation date will remain the same. The annual step increase will occur at the appropriate times as identified in Article 24.2. The College’s representative shall complete an evaluation form using only job-related factors, review with the employee each rating, and discuss strengths and weaknesses in his/her work performance.

17.3 Performance evaluations shall include a review of the employee’s current classification description and position description by the employee and supervisor. If updates are made to the employee’s position description, a copy will be submitted to Human Resources attached to the evaluation for inclusion in the official personnel file.

17.4 Any time an evaluation relies on information from another person as the basis for statements or judgments made in completing the evaluation form, then the employee has the right, upon request, to know the source of that information.

Supervisors shall provide each employee a minimum of twenty-four (24) hours’ notice prior to any evaluation conference. The supervisor shall discuss the evaluation with that employee during the conference and provide the employee a copy of the completed evaluation form. The employee shall sign the evaluation, which acknowledges only that he/she has read it. The employee’s signature does not constitute agreement with the evaluation but confirms that the employee has read and understands its contents.

17.5 An employee may file a response to their annual performance evaluation within 20 working days of signing the evaluation. The employee will provide a copy of the response to their supervisor and Human Resources. The response shall be filed in the official personnel file along with the evaluation.

ARTICLE 18—PLANS OF ASSISTANCE

18.1 Any time the performance of a regular employee is deemed by his/her immediate supervisor to not regularly meet job standards, the employee and the supervisor shall meet to discuss the performance deficiencies. If deemed necessary by the supervisor, the employee may be placed on a written plan of assistance to address the specific performance deficiencies.

18.2 Employees who have been placed on a plan of assistance will have no less than thirty (30) calendar days in which to improve their performance, at which time an evaluation will be conducted by the supervisor to determine if they have achieved the expectations.

18.3 If the employee has successfully achieved the level of performance expected in the plan of assistance, then he/she will be removed from the plan of assistance after the evaluation is completed. The College shall be under no obligation to return an employee in such a situation to a plan of assistance should the employee subsequently demonstrate deficiencies that were addressed by the original plan.
18.4 A plan of assistance is mandatory if a regular employee receives an evaluation under Article 17 which shows the employee fails to meet satisfactory performance and results in the denial of a step increase.

18.5 The College shall notify the Association in a timely manner when an employee is to be placed on a plan of assistance. Such an employee is entitled to Association representation at the employee’s request.

18.6 The College may only discipline an employee as a result of a plan of assistance if there is just cause to do so as provided in Article 22.

ARTICLE 19—PERSONNEL FILES

19.1 The College shall maintain for College use an official personnel file in the College Human Resources Office for each employee, which shall be the only personnel file maintained on each employee for purposes of retention, promotion or discipline. The file shall contain copies of evaluations, commendations, letters or other materials deemed appropriate by the College. All entries must be dated and signed by the submitting party.

19.2 The employee shall be provided a copy of any new material that could impact the employee’s employment status within ten (10) working days of its placement in his/her file. The employee shall be allowed an opportunity to respond to that material. Any written response of the employee shall also be placed in the personnel file, provided the response is received by the College Human Resources Office within twenty (20) working days of the date of placement.

19.3 Except for an employee’s supervisor(s), appropriate dean(s), the College President, College legal counsel, Executive Dean, and employees of the College Human Resources Office, an employee’s personnel records shall not be made available to any individual or organization without a signed authorization statement from the affected employee.

19.4 Materials that are obtained confidentially by the College during the employing process shall not be subject to review by the employee.

19.5 Materials may be removed from the file by mutual consent of the College and the employee. The request for removal of materials should be initiated by the employee through Human Resources.

19.6 Employees shall have reasonable opportunities to inspect their personnel files and supervisor’s working files.
ARTICLE 20—REASSIGNMENTS, TRANSFERS, PROMOTIONS, AND ASSIGNMENTS

20.1 Reassignments to parallel positions in band and/or grade may be made whenever the College determines such reassignment best meets the needs of the College and/or the employee.

Whenever reassignment is being considered, the appropriate College administrators will meet with the Association President and Association Vice-President to discuss the proposed reassignment.

Whenever a position is open, employees will be provided the opportunity to seek reassignment, transfer or promotion. The College agrees to provide employees the opportunity to seek promotion, transfer or reassignment to any bargaining unit position.

20.2 Notice of job opportunities shall be posted in the Human Resources Office and/or the college job opportunity listing online. Any employee wishing to be considered for such opportunity shall comply with the requirements of the posted notice and, upon doing so, shall receive consideration for the position.

20.3 If an employee receives a promotion, he/she will be placed at the nearest step greater than his/her current salary which is at least 3.5% higher than his/her current salary.

20.4 Employees working less than 12 months.

Employees who are scheduled to work on less than a twelve (12) month basis will be given first consideration for filling limited-term (see 20.7) or part-time hourly positions during breaks in their work schedule that exceed three weeks providing they meet the minimum qualifications. To be considered for such positions, these employees must make prior application in a separate pool containing only applications from such employees, as no other notice will be provided. The College retains the right to choose from among qualified applicants, and such limited-term or part-time hourly positions shall not be combined to extend the regular appointment of any employee. Employees hired for such positions will be paid at the rate of the vacant position and will not accrue sick leave or vacation leave and will not be paid for holidays. Less than 12-month employees who are hired back during the summer break to perform substantially all of the same responsibilities in the same position shall be paid their regular rate for such work or at the part-time hourly rate, whichever is higher.

20.5 An employee who requests a promotion or transfer pursuant to Section 20.2 and who is not selected to fill the position may request in writing an explanation of the reasons for nonselection and shall be provided such reasons in writing.

Discretionary appointment employees have all the rights and privileges of the collective bargaining agreement between the Association and the College except
Article 37, layoff, and 38, return from layoff, unless they are on an authorized leave from a current position in the bargaining unit or as provided below.

When a discretionary appointment employee’s position is terminated, the employee will be considered as laid off and entitled to recall rights as provided under Article 38 of the collective bargaining agreement if they were a regular status employee immediately before accepting a discretionary appointment. For this purpose, time spent in a discretionary appointment will count toward seniority.

20.7 Limited-Term Positions.
The College may hire employees into limited-term positions for a period not to exceed twelve (12) months. The College shall not hire the same employee consecutively into the same limited-term position unless otherwise agreed to by the Association. These employees are not bargaining unit members. When and if an employee in a limited-term position becomes a bargaining unit employee, the date of hire will be the date hired into the limited-term position.

A bargaining unit employee who is selected to fill a limited-term position will retain their status as a bargaining unit member during the limited-term appointment and will be allowed to return to their former position if they are not selected to fill the position on a regular basis. In order to retain rights to the former position, the employee must file and be approved for a leave of absence from their former position.

20.8 The parties agree to meet and resolve any issues regarding limited-term appointments which are not covered above on a case-by-case basis.

Payment in lieu of vacation leave shall reduce the accumulated credits of the employee in the same manner as actual vacation time taken. Payment is made only on regular paydays subject to the deadlines published by the Human Resources department.

Compensation for overtime shall be at the rate of time and one-half the employee’s regular rate, computed to an hourly rate.

29.2 Employees are required to obtain prior authorization to work overtime hours from their supervisor. In an unforeseen situation in which college property or the safety of students or staff are potentially at risk, or where the direct delivery of services to students would be impacted, an employee may work beyond the assigned shift without prior approval from the supervisor. In these situations, the employee will notify their supervisor of their overtime work as soon as possible after the work is completed.
29.3 Employees shall be compensated for overtime either in the form of pay or compensatory time off, except an employee will not be allowed to accumulate more than forty (40) hours of compensatory time off. Overtime shall be in the form of monetary payment only when approved by the College. Employees shall receive monetary payment for accumulated compensatory time in excess of forty (40) hours.

29.4 Compensatory time off may be taken at a time requested by the employee as long as that request is made within a reasonable period before the requested time off, and the requested time off does not unduly disrupt the operations of the College, as provided in 29 CFR Section 553.25(d). Should an employee request specific time off as compensatory time, the supervisor shall approve or deny the request within five (5) working days.

29.5 Neither overtime nor premium pay shall be compounded, pyramided or otherwise paid or credited twice for the same hours.

29.6 Accumulated compensatory time will be recorded on the employee’s earnings statement, and, if not otherwise reimbursed in accordance with this article, will be paid upon the employee’s separation from employment with the College.

ARTICLE 30—CALL-IN TIME

30.1 Off Duty Call In.
All parts of this section are subject to the provisions in Article 28, Section 1 of the Agreement. When there is an adverse impact or to avoid an adverse impact to college operations or facilities, bargaining unit members are subject to be called in outside their regular shift.

A. An employee who is called to work outside his/her regular shift shall be paid for a minimum of two (2) hours at the rate of time-and-one-half unless the call-in occurs within two (2) hours of the start of the employee’s regularly scheduled shift, in which event the time-and-one-half rate shall continue until the start of the employee’s regularly scheduled shift.

B. An employee required to work beyond the end of his/her regular shift as an extension of that shift or who is to return to work within one (1) hour or less of the scheduled completion of his/her shift shall not be considered as working call-in or subject to the minimum guarantee provided in Section A above.

C. An employee who is not in on call status as described in 30.4 and is required to respond to a work related call during his/her non-duty hours and not required to report to the work site will be compensated for a minimum of one (1) hour of overtime. If the response requires more than one (1) hour, he/she will be compensated for the time worked as overtime.

30.2 Emergency Closure Call In.
All parts of this section are subject to the provisions in Article 29, Section 1 of the Agreement.

A. When the College is closed as a result of unusual or hazardous conditions, employees who are required to work at their work site when their work site is closed will be paid two times their hourly rate of pay. When the College
provides notice that normal conditions have resumed, the rate of pay for these employees required to remain at or report to the work site will return to the regular hourly rate.

Employees who have not been required to remain at or report to the work site will be given two hours to report to work after receiving notice that the College will reopen after a closure.

B. Public Safety employees, as part of their normal duties, are required to report to work during emergency closures, and will be paid in accordance with 30.2A.

30.3 Each department or work site shall develop a call in procedure and publish a list of those positions subject to call in. The rationale for placing positions on these department lists will be presented to the Association for comment prior to their inclusion.

30.4 On-Call.
In departments where the College determines there is a need to have staff available to work outside of normal hours, an On-Call status will be established.

A. An employee in On-Call status will be On-Call outside of normal work hours from the end of work on Monday until the beginning of work the following Monday, unless agreed to by the supervisor. While On-Call, the employee is expected to:
1. Indicate to his/her supervisor whether a college-provided phone or a personal phone will be used for work-related calls during the on-call period, and
2. Answer the phone when it rings or return the call within 15 minutes, and
3. If directed, access the internet within 15 minutes of being directed to do so or report to campus within one hour of being directed to do so or as arranged with supervisor.

B. The supervisor, in consultation with employees, will establish a list of employees who may be required to be On-Call during off hours and a schedule showing when employees will be On-Call.

C. Employees will receive 30 minutes of time off for every 6-hour (or portion thereof) they are On-Call. This time off may be taken at a time requested by the employee as long as that request is made within a reasonable period before the requested time off, and the requested time off does not unduly disrupt the operations of the College. Should an employee request time off, the supervisor shall approve or deny the request within five (5) working days.

D. In addition to the time above (30.4C), if an employee is required to work either on or off campus during the On-Call, they will be paid at one and a half times his/her regular rate of pay for the time worked.

E. Section 30.1.A and 30.1.C do not apply when an employee is in the On-Call status.
F. The maximum duration an employee can be in On-Call status generally will not exceed the amount of time they are not in On-Call status within a given month unless extenuating circumstances due to temporary staffing needs exist.

Employees seeking these matching funds should submit a brief summary of their plans to the
Director of Human Resources prior to committing to the professional development opportunity. Included in the summary should be an explanation of how this opportunity will benefit the individual employee and the College.

These matching funds will be awarded based on the degree to which the activity benefits the individual and the College.

35.2 Educational Development Leaves.

A. Educational Development Leaves can be granted to an employee at the discretion of the college president subject to the approval of the Board of Education as required by 35.2C. Leaves should be related to the employee’s current job responsibilities. The leave can be for any time period up to one (1) year. Educational development may include, but is not limited to: obtaining professional certification, licensing, short-term training, pursuing an educational certificate or degree, or applicable on-the-job training.

Proposals for leaves should be submitted to the Director of Human Resources with the approval of the immediate supervisor and should include plans and goals which address each of the following:

1. The proposal must be of value to the employee, the department or work area, and the college.

2. The proposal should be related to previous experience or background, and clearly builds on current base of knowledge or skills.

3. The proposal must be focused and definitive with evidence of planning and realistic timeframes, along with clearly defined outcomes.

B. Eligibility: Employees who have completed the equivalent of at least three (3) years of full-time continuous service with the college are eligible for possible educational leave. Consideration will include total length of service to the college, funding sources, as well as any other leaves previously granted. Approval will be subject to the recommendation of your Director, Dean/CFO, an Educational Leave Committee, the College Executive Team, and final action by the College Board.

C. Process: Application for possible educational leave shall be prepared by the employee with the assistance of their supervisor/director and be submitted to the Educational Leave Committee no later than three (3) months preceding the date the leave is to begin for any leaves less than three months; at least six (6) months notice for leaves equal to or greater than three (3) months.

Leave applications shall include the purpose of the leave and specific plans and goals as outlined above, indicate a relationship to the human resource goals in the strategic plan, and identify the actual time the leave would take, including any flex schedule.

Leave applications must include the signature of the supervisor/director and should include the recommendation by the supervisor and appropriate director.
An Educational Leave Committee of five (5) persons shall be established each year; two (2) classified employees appointed by the Association and three (3) exempt employees appointed by the College Executive Team. This committee will meet, if needed, the first working day of the month of each calendar quarter (Jan/April/July/October) to review applications and make recommendations to the Executive Team.

The College Executive Team shall review all applications recommended by the committee for approval and forward to the College Board those recommended for final approval.

D. Compensation: Employees approved for an educational leave shall continue to receive the same percentage level of benefits during their leave as provided prior to the leave. Any other compensation beyond benefits should be requested at the time of application and may be considered on a case-by-case basis but if denied, the employee will be given an explanation of that denial.

E. Commitment: During an approved educational leave, the employee may be required to make reports to the immediate supervisor on accomplishments and/or progress. The timetable for such reports shall be set in writing by the supervisor before the leave commences.

An employee accepting an approved leave shall enter into an agreement with the college prior to the leave that upon completion of the leave the employee shall return to employment of the college for at least the same length of time as the length of the leave. If the employee fails to return to the employment of the college for that length of time, the employee may be required to return any or all of the compensation received from the college during the leave.

35.3 Employee’s rights under Articles 35 are limited to the funding source in which they work.

ARTICLE 36—LEAVES OF ABSENCE

36.1 Leave of Absence.
An employee who has been granted a leave of absence must be returned to employment at the expiration of the leave unless the position has been abolished and no person with less service credit is employed in the same class in the same department, or unless the employee is no longer qualified to perform the job. The Director of Human Resources upon twenty (20) working days written request from the employee, may return the employee to employment prior to the expiration of the leave.

A. Leaves of Absence with Pay.
Any employee shall be granted a leave with pay for the activities listed below. The employee may be required to provide proof of attendance, including hours served, to their supervisor to be eligible for these leaves.

I. Leaves Requiring Advanced Notice
For the following leaves, employees are required to notify their immediate supervisors within three business days of becoming aware of the need for leave.
Compensation from the College shall be reduced by the amount of compensation or fees received for performing any of the duties or functions while on leave, excluding compensation for travel and expenses.

a. Jury Duty. During the period of time an employee is on jury duty he/she will be excused with pay. The employee is responsible for providing a copy of the jury notification to their supervisor as soon as possible prior to the potential leave. The employee is responsible for reporting for work at the College on those days when he/she is not required to report for or is excused from jury duty in time for the employee to work at least one-half of his/her scheduled work day.

An employee who regularly works an evening or night shift shall, if possible, call the court to determine whether he/she will need to be present the next day for jury duty. If so, the employee need not report to work for that evening or night shift at the College. If not, the employee will be expected to report as usual. If such night-before notice is not provided, the supervisor and employee will mutually agree on any schedule adjustment necessary for the employee to get adequate rest during the period of jury duty.

b. Court Appearance Related to College Business. An employee who appears as a disinterested witness in court action related to college business shall be granted leave with pay for the hours his/her appearance is required including the time required going to court and returning to his/her duty station.

c. Participating in Search and Rescue. Employees taking part without pay in a search or rescue operation at the demand of any law enforcement agency, the Director of the Board of Aeronautics, the United States Forest Service or any local organization for civil defense, for a period of no more than five (5) days for each operation shall suffer no loss in pay. If the employee is paid for participating in this search and rescue operation, the employee will receive leave without pay for this time. The college may require documentation to verify the nature of such a leave.

II. Leave Requiring Approval/Notification.

Personal Business Leave. Employees who have completed the probationary period of employment shall be granted sixteen (16) hours personal business leave with pay each fiscal year, retroactive to his/her date of hire, prorated in accordance with this agreement. Personal business leave is for important personal business not of a recreational nature. Personal business leave shall not accumulate from year to year.

Personal business leave requires prior supervisor approval. The approval, however, is only for the purpose of coordinating department work and employees are not required to release personal information.
By requesting this leave the employee is giving assurance that the leave is for important personal business not of a recreational nature.

If the college determines that an emergency situation has occurred, approval may occur after the leave has been taken.

III. Other Paid Leave.

a. Worker’s Compensation. Compensation paid by the College for a period of leave resulting from a condition incurred on the job and also covered by workers compensation shall be equal to the difference between the compensation for the lost time paid by the insurance carrier and the employee’s regular net salary. The employee’s regular rate shall be that rate earned at the time of the job injury. In such employer-paid instances, these pro-rated charges shall be made against accrued sick leave. When the balance of accrued sick leave is exhausted, no adjusting compensation will be paid. When sick leave is exhausted an employee may utilize accumulated vacation to prevent loss of pay.

b. Bereavement. In case of death in the employee’s immediate family (identified as parents, children, spouse, domestic partner, brother, or sister) the employee shall be granted up to seven (7) days leave with pay for the purposes of attending the funeral or making the necessary arrangements.

In the case of death of the employee’s mother-in-law, father-in-law, daughter-in-law, son-in-law, brother-in-law, sister-in-law, grandparent, grandchild, dependents who live in the household, or close personal friend, the employee shall be granted such time as is required, up to three (3) working days, as leave with pay for the purpose of attending the funeral and/or making the necessary arrangements. Up to an additional four (4) working days may be granted when necessary for the purpose of travel connected with attendance at the funeral or making necessary arrangements, which additional days shall be deducted from accrued but unused sick leave.

The employee shall provide the earliest possible notice of his/her absence to the College.

B. Leave Without Pay. Employees returning from an unpaid leave of absence will be placed on the current salary schedule at the same position and step held at the time the leave commenced. Reinstatement to group insurance coverage upon return from a leave of absence shall be subject to the regulations and approval of the insurance carrier.

Except as otherwise specifically provided in this Agreement, during leaves without pay of more than twenty (20) consecutive work days the employee shall not accrue time toward step movement or performance evaluations or any benefits unless otherwise required by law. However, during such leaves,
arrangements may be made by the employee to self-pay the entire premium costs of group insurance benefits, in accordance with the rules of the insurance carrier.

Employees shall use up all accrued vacation prior to using an unpaid leave.

The following applies to specific types of leaves:

1. Parental Leave. From the onset of pregnancy for the birth mother, or from the birth/adoption of the child for either parent, to a maximum of one year, parental leave shall be granted without compensation. Upon request by the employee and with approval of the supervisor and president, the leave may be extended beyond the one-year limit specified. At the employee’s option, accrued vacation time may be used in connection with parental leave.

   This leave runs concurrently with any applicable FMLA/OFLA leave.

2. Political Leave. A classified employee who is elected or appointed to a full-time public office which requires his/her absence from duty with the College for an extended period of time shall be granted a political leave of absence without pay for the duration of such public service.

   A leave of absence without pay for one (1) term may be granted to any classified employee upon application for the purpose of running for political office.

3. Special Unpaid Leave. In instances where the work of the department will not be seriously disrupted by the temporary absence of an employee, a regular employee may be granted a leave of absence without pay, educational leave without pay, or job retraining leave without pay, not to exceed one year.

   Request for such leave must be in writing and must establish reasonable justification for approval of the request. Approval requirements are as follows:

36.2 Other Leaves.
A. Education Leave with Compensation. See Article 35.2. Employee’s rights for this leave are limited to the funding source in which they work.

B. Family Medical Leave: Employees may take family leave in accordance with FMLA and/or OFLA. See Article 26.6.

C. Military Leave: Employees shall be granted military leave in accordance with state and federal law.
D. Disability leave: See Article 28.3.

36.3 Absence without Leave. Employees may be subject to discipline up to and including termination for being absent from work without an approved leave. Any employee who is absent without authorized leave for five (5) consecutive work shifts shall be deemed to have voluntarily resigned, unless it can be shown that the employee could not have notified the College during that time.

ARTICLE 37—LAYOFF

37.1 For the purpose of this Article, a layoff is a reduction in bargaining unit personnel made necessary when it is determined by the College that a position is no longer needed or when a bargaining unit member is to be reduced by an amount that reduces his/her benefit levels as set forth by this agreement. Only employees who have successfully completed their initial probation are eligible for the bumping and interview rights contained in this article.

37.2 When the College determines that a layoff is necessary, the affected employee(s) shall be notified in writing at least thirty (30) calendar days prior to the effective date of layoff.

37.3 Prior to laying off a bargaining-unit employee, the College shall first consider the extent to which it could:
   A. Lay off part-time hourly employees within the department impacted by the layoff
   B. Place employees into a vacant position in the employee’s same job family and band/grade if the employee can demonstrate they possess the qualifications, skills, and abilities to perform the work.

37.4 Layoff shall be made in the following order to the extent feasible.
   A. Limited term employees;
   B. Bargaining unit employees who have not completed their initial probationary period, as defined in Article 16;
   C. Bargaining unit employees.

37.5 When the college eliminates a position that is held by a bargaining unit employee, the rights of the employee in the position are limited to the funding source, job family, band/grade, and FTE grouping at the time of layoff (See 37.7).

The college shall lay off the least senior employee within the funding source, job family, band/grade, and FTE grouping subject to Article 37.6.

The more senior employee(s) may bump less senior employees subject to Article 37.6.

37.6 Any employee who is retained as a result of the layoff or bumping process must demonstrate that he/she has the qualifications, skills, and abilities to perform the tasks and responsibilities specific to the job of the laid-off employee. Skill testing may be used if normally required as part of the recruitment process.
37.7 For the purposes of Article 37 and 38, the following applies:

A. Seniority.
Seniority will be calculated based on an employee’s total years of continuous employment at the College in a Classified position.

Seniority shall be computed on a pro-rata basis and stated in terms of one hundred percent (100%), full-time, twelve (12) month service in a Classified position from the most recent date of college employment.

In the event that two (2) or more employees have identical seniority, lots will be drawn to determine who will be laid off.

B. Funding source.
Positions funded by the General Fund, Universal Fee, Intra-College funds (funds 28XXXX) and the Admin Fee funds (funds 250240, 250255 and 250256) shall be considered same sources for layoff and bumping purposes.

Non-General Fund positions are limited to the funding source in which they work for bumping purposes and are subject to grant restrictions, if any.

In cases where funding is split between/among funding sources the following applies:
1. Positions funded 50% or more by general fund sources will be designated as General Fund positions.
2. Positions funded 50% or more by funds other than those designated as general fund sources have bumping rights within that funding source.
3. Positions with funding less than 50% in one funding source have no bumping rights within that funding source, but will have the interview and recall rights described in Articles 37 and 38.

Human Resources will notify the employee of changes in his/her funding source within 30 days of receiving the notification of change.

C. Job Families.
An employee has bumping rights within the job family in which they work at the time of layoff. If there are no positions available, an employee may bump into a job family successfully held within the previous five years subject to the other sections of Section 37.7.

The Association will be given a list of all bargaining unit positions which indicates their assignment to one of these job families (see Appendix B).

The College shall notify the Association as outlined in Article 6.2 when there are any changes to the Job Families Listing (Appendix B).

Job families are as follows:
- Facilities Services
- Public Safety
- Financial Services
- Student Services
- Instructional Services
- Technology Services
- Office Administration
D. Band and Grade.
Band/Grade will be the band and grade at the time of layoff. For employees temporarily working out of their regular band and grade, the band and grade for layoff purposes will be their regular band and grade.

If a position of equal band and grade is not available at the time of layoff, an employee may bump into a position of lower band and grade within the same funding source, job family, and FTE grouping.

E. FTE Grouping.
FTE grouping is defined as:
1. 12-month employees working full time (40 hour per week)
2. 12-month employees working 20 hours but less than 40 hours per week
3. 10-month and 11-month employees working full time (40 hours per week)
4. 10-month, 11-month employees working 20 hours but less than 40 hours per week.

37.8 The following applies to employees being laid off or involved in the bumping process:
A. An employee who has received notification of the FTE, band and grade of the position that they are being offered as a result of layoff shall have five (5) working days to notify Human Resources of their intent to exercise bumping rights.

B. If, as a result of the layoff and bumping process, an employee will be placed in a position that is outside a 20 mile radius of current worksite, the employee shall be allowed to decline placement one time and will be placed on a recall list for a period of 12 months.

37.9 Interview Rights.
A. After notification of layoff, employees scheduled for layoff will be notified by Human Resources and given an opportunity to interview for open Classified positions of equal or less band and grade prior to outside applicants being interviewed. Once Human Resources has notified the employees by e-mail, the employee must:
1. Submit an online application for the position within 3 working days of receiving the email notification of the opening.
2. Be approved for interview based on Human Resources determining that the employee has the qualifications, skills, and abilities to perform the duties.
3. Successfully complete skills testing as part of the interview process if required by the position.

B. Being given an interview does not guarantee that an employee will be offered a position.

C. An employee declining a job offer, or failing to report for work within five (5) working days of the date directed to report to a position of equal salary and band and grade to the position held at time of layoff shall forfeit his/her seniority and recall rights.
D. An employee who accepts a position at a lower classification level or FTE grouping to the laid-off position shall retain interview rights for a period of one year from the original date of layoff.

E. First right of recall remains with laid-off employees who are exercising that right within their specific job family(ies). All such rights (see Article 38) must be applied prior to implementation of the above process.

F. Once layoff has occurred, interview rights are subject to Article 38.

37.10 If the College chooses to close between terms in such a manner as to cause a reduction in pay or benefits for employees in the bargaining unit, it will not be considered a layoff and the College will meet and discuss such closure with the Association before such closure is implemented.

ARTICLE 38—RETURN FROM LAYOFF

38.1 A. Recall Rights.
For a period of one (1) year from the date of layoff, employees who have completed their initial probation and are laid off pursuant to Article 37 shall have recall rights to the funding source (as defined in Article 37.7), job family held within five years of date of layoff, band and grade, and FTE grouping from which they were laid off. Seniority at the time of layoff is retained during this recall period.

Any employee returning to a position within one (1) year of his/her layoff will accumulate leave at his/her rate at time of layoff notice and be eligible to take vacation leave in accordance with the other provisions of Article 27. Nothing in this section prevents the College from offering the laid-off employee a position in a different job family, which may be at a different salary, or any other vacant position at the College for which he/she is qualified.

B. Interview Rights After Layoff.
1. For one year from date of layoff, the employee will be on a recall list. Employees on the recall list who provided Human Resources with a personal e-mail address will receive notification of all new open Classified positions.

2. Employees will be given an interview for open Classified positions of equal or less band and grade prior to outside applicants being interviewed, if they have:
   a. Submitted an online application for the position within three (3) working days of receiving the email notification of the opening.
   b. Been approved for an interview based on Human Resources determining that the employee has the qualifications, skills, and abilities to perform the duties of the position.
   c. Successfully completed skills testing as part of the interview process if required by the position.

3. Being given an interview does not guarantee that an employee will be offered a position.
4. An employee who has been laid off, is offered a position under this section, and accepts the position during the recall period will:
   a. Be required to serve a six (6) month probationary period as outlined in Article 16.1.
   b. Accumulate leave at his/her rate at time of layoff notice and be eligible to take vacation leave in accordance with the other provisions of Article 27.

38.2 Employees shall be recalled in the inverse order of layoff to any vacancy arising within the job family, band and grade, and if applicable, funding source (if soft money) and FTE grouping from which they were laid off, provided they possess the qualifications, skills and ability to perform the work available.

38.3 No new employees shall be hired by the College for a job family in which there are laid-off employees until all employees on layoff status from that job family (or who held positions with the College in that job family during the five years prior to layoff) have been recalled or there are no qualified laid-off employees from that job family (or from another job family if the employee worked for the College in the job family during the five years prior to layoff) who can fill the position.

38.4 An employee declining recall, a job offer, or failing to report for work within five (5) working days of notification to a position of equal salary and classification level to the laid-off position shall forfeit his/her seniority and future recall rights. However, if an employee declines recall to a position of at least equal salary but at a lower classification level to the laid-off position then he/she will not forfeit his/her seniority and future recall rights.

An employee who accepts a position at a lower classification level or FTE grouping to the laid-off position shall retain recall rights to the band and grade at the time of layoff for a period of one year from the original date of layoff.

38.5 Employees on layoff shall notify the Human Resources office of any change in their present address or availability for recall. Failure to notify shall terminate any and all relationship with the College.

38.6 Employees with recall rights who notify the college of their interest will be offered available part-time, hourly (non-bargaining unit) work in the department from which they were laid off and for which they are qualified or limited-term positions within the same job family and band/grade at time of layoff. Acceptance of such work shall not impact their recall rights.

ARTICLE 39—TEMPORARY REDUCTION IN FORCE

39.1 During periods of reduced workload, employees whose regular term of employment is affected by the reduction may be placed on leave without pay status for up to ninety (90) calendar days. Any absence which extends beyond ninety (90) calendar days is considered a layoff and must be handled pursuant to Article 37—Layoff.

39.2 Notification of a leave under this Article shall be made by the College not less than thirty (30) calendar days prior to its effective date.

39.3 Within a department, all employees in a job classification (job title excluding the work-month designation, band/grade, and job family) whose regular term of
employment is affected by the reduction shall have the right to request either Temporary Reduction in Force status or uninterrupted employment. Seniority as defined in Article 37.7.A will be the determining factor in determining which employees remain employed, so long as the person occupying the active position has the qualifications, skills and abilities to perform the work equal to those of the person on Temporary Reduction in Force status.

39.4 Employees on leave pursuant to this Article shall continue to receive insurance benefits, tuition waiver and to accrue seniority. No other benefits shall accrue or be provided during the leave. Employees who are placed on Temporary Reduction in Force status for over two (2) weeks shall be permitted to use up to two (2) weeks of accrued vacation leave. The employee shall receive pay for this vacation leave on his/her next regular payday.

39.5 Employees on leave pursuant to this Article shall retain their scheduled review date. In the event the employee’s scheduled review date falls while he/she is on Temporary Reduction in Force status, the review will be conducted as soon as practical after the employee returns to work. The employee whose scheduled review date falls during a Temporary Reduction in Force shall receive a step increase resulting from his/her annual performance evaluation effective as of his/her date of recall.

ARTICLE 40—GRIEVANCE AND ARBITRATION PROCEDURE

40.1 A grievance shall be defined as a contention that a violation or misapplication of a specific term of this Agreement has occurred which cannot be resolved between the employee involved (the grievant) and his/her supervisor.

40.2 The following grievance procedure shall be applicable to all employee complaints or disputes concerning the meaning and/or application of the terms of this Agreement, and said procedure shall be the sole method for resolution of such matters. A determined effort shall be made to settle grievances at the lowest possible level, and the grievance proceedings will be kept as informal as may be appropriate at any level. Meetings or discussions involving grievances will be scheduled so as to avoid interruption of work duties or schedules. An employee may be accompanied by a Union Steward of his or her choosing when presenting a grievance at any step. This choice of a Union Steward shall not extend the timelines of this article, except by mutual agreement.

The Association may initiate a group grievance on behalf of members with common grievances. The grievance shall be filed at the step deemed by the Association and the College as most appropriate, given the nature of the grievance. The same steps and timelines apply as with individual grievances.

40.3 Any employee having a question regarding a provision of the Agreement shall first take the matter up with his/her supervisor. In the event the employee and his/her supervisor cannot resolve the issue, and if the matter qualifies as a grievance as defined in Section 1 above, the matter may then be taken up as a formal grievance, in accordance with the following procedure:

Step 1. Supervisor/Human Resources.
If the employee wishes to pursue the matter, he/she with or without the assistance of the Association shall submit it as a grievance in writing to
both his/her supervisor with whom he/she is in disagreement and to the Director of Human Resources within fifteen (15) working days of the occurrence of the alleged violation. The grievance document shall be signed and dated by the aggrieved employee, and it shall set forth a statement of the grievance and the alleged facts involved, including relevant dates, citation to the applicable provisions of the Agreement alleged to have been violated and the relief sought. A conference between the involved supervisor or his/her designee and the grievant shall be held within ten (10) working days of receipt of the grievance document. Within ten (10) working days of the conference, the supervisor or his/her designee shall communicate his/her written decision to the grievant and the Association.

Step 2. Dean.
In the event the matter is not settled in Step 1, or if the supervisor or his/her designee does not have a conference with the grievant and/or issue his/her decision on the grievance within the time period specified in Step 1, and the grievant wishes to pursue the matter further, the grievance shall be presented in writing to the Director of Human Resources and the appropriate division dean within ten (10) working days after receipt of the supervisor’s response in Step 1, or failing such a response, within ten (10) working days after the date the response was due.

Within ten (10) working days after receipt of the appeal, the dean or his/her designee shall arrange a conference concerning the grievance. At that conference the grievant, and Association Representative, shall be allowed to present any supporting documentation or other evidence he/she may have in support of the grievance and shall be allowed to present a full explanation of his/her position on the grievance. Within ten (10) working days of the conference, the dean or his/her designee shall submit a written decision on the grievance to the grievant.

Step 3. President.
In the event the grievance is not resolved at Step 2, or if the division dean or his/her designee does not have a conference with the grievant and/or issue his/her decision on the grievance within the time periods specified in Step 2, and the grievant wishes to pursue the matter further, a written appeal shall be submitted to the President of the College and the Director of Human Resources within ten (10) working days following receipt of the determination of the dean or his/her designee at Step 2, or failing such response, within ten (10) working days after the date the determination was due. This appeal shall set forth the nature of the grievance, the contractual provision or provisions alleged to have been violated and shall include the written disposition of the case from each previous step of the grievance procedure. The President or his/her designee will hold a hearing on the grievance within ten (10) working days, at which time the grievant or a representative of the Association and a representative of the College will be provided an opportunity to summarize their respective positions on the grievance. Thereafter, the President or his/her designee will render his/her written decision on the grievance within ten (10) working days of hearing the grievance.
In the event the grievance is not resolved at Step 3, or if the President or his/her designee does not render a written decision within the time specified in Step 3, and the Association wishes to pursue the matter further, the grievance shall be submitted to final and binding arbitration. If the Association does not file notice with the President and the Director of Human Resources of intention to arbitrate within ten (10) working days of its receipt of the President’s or his/her designee’s written decision at Step 3, or failing such response, within ten (10) working days after the date that the decision was due, the grievance shall be deemed withdrawn and resolved against the grievant.

40.4 Arbitrator Decisions.

A. Upon timely receipt by the College of the Association’s written notice of its desire to take a grievance to arbitration, the parties shall have five (5) working days within which to attempt to select a mutually acceptable party to act as arbitrator. If the parties fail to agree within this period on an arbitrator who is able and willing to serve, they shall jointly request the Oregon State Conciliation Division of the Employment Relations Board to submit a list of seven (7) disinterested persons who are qualified and willing to act as an impartial arbitrator. Both the Association and the College shall have the right to strike two names from the list. A flip of the coin shall determine which party shall strike first. The remaining name on the list shall be that of the arbitrator.

B. The designated arbitrator shall set a time and place for hearing which is agreeable to both parties. At that hearing each party shall have the right to present evidence, examine and cross-examine witnesses, make a record and file arguments.

C. Expenses of the arbitrator shall be borne by the losing party, while each party shall be responsible for its own expenses, including compensating its own witnesses and representative.

D. The arbitrator shall have authority to consider only a claim which is based upon a specific provision of this Agreement and shall have no right to modify, detract from or add to this Agreement. He/she shall act solely in a judicial, not a legislative capacity, interpreting and/or applying the express language of a specific provision or provisions of this Agreement and shall not decide on the merits or wisdom of any action or failure to act by the College, but only on the contractual obligations inherent in this Agreement. Any decision of the arbitrator within the scope of this Agreement shall be final and binding on the College, the Association and the employee or employees involved. If the matter sought to be arbitrated does not involve an interpretation or application of the express language of this Agreement, the arbitrator shall so rule and make no further decision, in which event the expenses of the arbitrator shall be borne by the Association.
40.5 A grievant may be represented at any or all of the steps of the grievance procedure by himself/herself or at his/her option by a representative selected or approved by the Association. The Association shall have the right to be present and to state its view at all steps of the formal grievance procedure. An individual grievant shall be without power to agree to a resolution of a grievance that violates any term or provision of this Agreement.

40.6 The time limits specified in this Article may not be extended or modified except by mutual consent.

40.7 Resolution of a grievance at any step of the procedure shall be final and binding upon the College, the Association and the affected employee(s).

40.8 Failure on the part of the grievant at any step in the process to file or appeal the grievance in accordance with the stated time lines shall constitute a waiver of the grievance.

40.9 As used in this Article, the term “working days” shall mean days which the College is open for business.
